I have read everything that ... have had come by me for several years ...

I am a local businessman w... several businesses and when there are several opinions on some portion of our business with ... managers etc., we always try to use the common sense rule. Works everytime, has for eve...

Please use the common sense rule when making up your minds on the Snake River Dams. Don't listen to the few people and grou... that are "Bugging you all the time while us ... businessmen and people working all day don't have t... to come out and "Bug" you. Please??

Thank you,
Tom Watson

PS. I've been fishing the Snake for over 45 yrs and I think it is better than ever!
