1. Reference EC 1165-2-209, Civil Works Review Policy, 31 January 2010.
2. The enclosed RP for the Bennington Lake Diversion Dam Fish Passage Section 1135 project has been prepared in accordance with the referenced guidance.

5. I hereby approve this RP, which is subject to change as study circumstances require, consistent with study development under the Project Management Business Process. Subsequent revisions to this RP or its execution will require review by CENWD-PDD and approval by this office.
6. The RP should be posted to the internet and made available for public comment.
