MEMORANDUM FOR Commander, Walla Walla District (CENWW-PM-PD)

SUBJECT: Review Plan (RP) Approval for the Lower Boise River, General Investigation Study Interim Feasibility Report, Idaho

1. Reference EC 1165-2-209, Civil Works Review Policy, 31 January 2010.
2. The enclosed RP for the Lower Boise River, General Investigation Study Interim Feasibility report has been prepared in accordance with the referenced guidance.
3. The RP will be coordinated with the appropriate Planning Center of Expertise, Water Supply and Reallocation, during the next phase of the project after the Project Management Plan is finalized, the Feasibility Cost Share Agreement is signed and the project scope is more fully defined.
4. The RP for the interim feasibility phase has been revised to address NWD review comments. All comments have been back-checked and closed out.
5. I hereby approve this RP, which is subject to change as study circumstances require, consistent with study development under the Project Management Business Process. Subsequent revisions to this RP or its execution will require review by CENWD-PDD and approval by this office.
6. The RP should be posted to the internet and available for public comment.
7. Please contact Valerie Ringold at (503) 808-3984, if you have further questions regarding this matter.
