**SLOWER LOCKAGE TIMES AND TEMPORARY CLOSURE AT McNARY NAVIGATION LOCK**

Lockages through the Navigation Lock at McNary Lock and Dam, located at Columbia River Mile 292, may require additional lockage time.

From 28 June through 10 July 2018 McNary Navigation Lock will be operating on one drain valve. While the single valve is in operation, lockage times may lengthen from 30 minutes up to 45 minutes.

The repair will occur on 10 July 2018, and the navigation lock will temporarily close for 6 hours starting at 0830 PDT.

For additional information contact the McNary Chief Operator at 541-922-2231, Call Sign: WUJ41 or NWW Operations Division at (509) 527-7112.
