Public Notice:

Walla Walla District website gets new look!

DATE ISSUED: June 19, 2012

Walla Walla Regulatory Website Gets New Look and New URL!

The U.S. Army Corps of Engineers, Walla Walla Regulatory Division has migrated its website and all web pages to a web hosting platform. This migration has resulted in a new look and a new URL address, which is now: <http://www.nww.usace.army.mil/BusinessWithUs/RegulatoryDivision.aspx>.

The U.S. Army Corps of Engineers is updating, refreshing and migrating 58 Corps websites to a new system, hosted by the Department of Defense no later than the end of 2012. The new system provides the Corps with a consistent website look and feel and streamlines content management, making it easier to keep our web pages current and the public up-to-date.

Again, please note, ***all Walla Walla Regulatory Division web page URL addresses have changed.***

The new home page for the Walla Walla Regulatory Division can now be found at:
<http://www.nww.usace.army.mil/BusinessWithUs/RegulatoryDivision.aspx>

To download, print or save a Joint Application for Permit, please visit
<http://www.nww.usace.army.mil/BusinessWithUs/RegulatoryDivision/JointApplicationforPermit.aspx>

All current and future Public Notices can be viewed on-line at the new web address at
<http://www.nww.usace.army.mil/BusinessWithUs/RegulatoryDivision/PublicNotices.aspx>

Information on the 2012 Nationwide Permit Program and associated General and Regional conditions can be found at: <http://www.nww.usace.army.mil/BusinessWithUs/RegulatoryDivision/NationwidePermits.aspx>
