Re: Comments to All H Report

Dear Federal Caucus Members:

Thank you for the opportunity to provide comments to the above-referenced Report. I am providing these comments on behalf of three of my clients: Pioneer Irrigation District, Settlers Irrigation District, and Payette River Water Users Association. Those clients consist of irrigation entities and individuals who utilize water in the State of Idaho, primarily for irrigated agriculture.

I hope that you will give careful consideration to the enclosed comments. If you have any questions or concerns, please do not hesitate to contact me. I look forward to continuing to be involved in this process, and would ask that you keep me apprised of any and all developments in that regard.

Very truly yours,
