Dear Brigadier Carlstrok,

I think you shouldn't breach the dams.

I think you can leave them there.

I would like it if we had electric Power.

I wouldn't like it if you shut down BFI cause then

I wouldn't have this Paper.

It would cost a lot of money to breach the dams.

And it would cost a lot of money for electricity.

I go to fourth grade at Russel elementary in
Moscow. there are twenty-two kids in my class.

Sincerely,

Victoria
