Department of the Army
Walla Walla District, Corps of Engineers
Attn: Lower Snake River Study
201 North Third Avenue
Walla Walla, Washington 99362-1876

Corps of Engineer:

I am a citizen of the Pacific Northwest and believe the best way to aid the Salmon is to adopt Alternative 2. Maximize Juvenile Salmon Barging.

Continue the operation of fish passage facilities and project operations in place or under development. Plus maximizing juvenile salmon and steelhead barging and minimizing voluntary dam spill..

Thank you for the opportunity to comment.
