Twelve-Hour Closure July 11, 2006 At Ice Harbor Navigation Lock

The navigation lock at Ice Harbor Lock & Dam, located at SN river mile 9.7, will be closed for twelve hours on July 11, 2006, from 6:00 a.m. until 6:00 p.m.

During the lock closure there will be a technical inspection of cracks at critical joints in the trunnion arms of the upstream navigation lock gate.

Repair of these cracks is scheduled to take place at a later date, possibly during the March 2007 annual maintenance lock closure.

Your cooperation in this matter is much appreciated. For additional information, please call Ann Glassley, at (509) 527-7115 or Jim Bluhm (509) 527-7114.

Public Notices and other navigation lock information are available on the Internet at:
