Twelve-Hour Closure April 20, 2006 At Lower Monumental Navigation Lock

The navigation lock at Lower Monumental Lock & Dam, located at SN river mile 41.6, will be closed for twelve hours on April 20, 2006, from 7:00 a.m. until 7:00 p.m.

The upstream navigation lock gate seals are leaking severely. During this outage the seals will be inspected to determine the problem and repaired if time and resources permits. If any required repairs can not be made during this outage another closure may be requested at a later date for the repair work.

Your cooperation in this matter is much appreciated. For additional information, please call Ann Glassley, at (509) 527-7115 or Jim Bluhm (509) 527-7114.

Public Notices and other navigation lock information are available on the Internet at:
