Little Goose Navigation Lock

Update #5

Steady progress Friday toward reopening Lock Using Floating Bulkhead

Work at Little Goose Navigation lock located at Snake River mile 70.3 continues around the clock in preparation for bulkhead lockage.

Work progressed steadily Friday to stow the gate. Challenges were identified, but were offset by other gains. The reopening scheduled Wednesday, 4 April remains on track. Work continues around the clock through the weekend.

Updates will be provided as repair work progresses.

All recreational lockages will remain canceled until the lock is returned to full service.

Your cooperation in this matter is much appreciated. For additional information, please call Operations Division, at (509) 527-7115 or (509) 527-7114.

Public Notices and other navigation lock information are available on the Internet at:
