## Dworshak opens boat ramp at Dent Acres

**Orofino, Idaho** —Early visitors to the reservoir above Dworshak Dam may want to start thinking about getting boats and fishing tackle ready for outdoor recreational fun. Mild weather and good water conditions led Dworshak Natural Resources planners to open the boat ramp at Dent Acres to the public on February 18, for early season anglers and boaters.

"We're looking forward to a great spring and summer here at Dworshak, and we look forward to having the public come visit these facilities in beautiful northern Idaho", said Deb Norton, park ranger.

Early season camping will begin at Dent Acres Campground on April 14. Site fees will be \$10 per day by self-deposit registration. Regular season camping will start May 19th with full hook-up sites available for \$16 per night. Reservations for the regular season can be made by calling (877) 444-6777, or by visiting the website at [www.ReserveUSA.com](http://www.ReserveUSA.com).

When boating on the reservoir, remember that lake levels can change quickly. The weather may be warming up, but the water in Dworshak Reservoir is still very cold. Always beware of hypothermia and wear a U.S. Coast Guard-approved personal flotation device

For updated water level and boat ramp information, call (800) 321-3198. For more information regarding facilities access and current conditions, call (208) 476-1261.
