Ice Harbor navigation lock temporarily closes for repairs July 11

Burbank, Wash. – The navigation lock at Ice Harbor Lock and Dam on the lower Snake River will be closed to all river traffic July 11, from 6 a.m. until 6 p.m., Walla Walla District, U.S. Army Corps of Engineers, officials announced today.

The 12-hour closure will allow workers to repair the water level sensor at the downstream lock gate.

The lock is scheduled to return to full service not later than 6 p.m. Commercial and government vessels have priority at 6 p.m.

For more information, call Ann Glassley at (509) 527-7115. Public notices and other navigation lock information are available online at: www.nww.usace.army.mil/html/offices/op/t/navdata/default.html.
