## Ice Harbor navigation lock closure rescheduled for Thursday, Sept. 22

**WALLA WALLA, Wash.** – Because of unforeseen circumstances, the 10-hour lock closure at Ice Harbor Lock and Dam, previously set for 7 a.m. to 5 p.m. on Wednesday, Sept. 21, has been rescheduled, Walla Walla District navigation officials announced today.

The floating bulkhead will not arrive at the lock until late afternoon on Wednesday. Because of this delay, testing has been rescheduled for Thursday, Sept. 22, from 7 a.m. to 2 p.m.

The 10-hour lock closure scheduled for Sept. 21 at Lower Monumental Lock will take place as previously scheduled.

For more information, call Ann Glassley, at (509) 527-7115 or Jim Bluhm at (509) 527-7114.

Public Notices and other navigation lock information are available on the Walla Walla District Web site at <http://www.nww.usace.army.mil/html/offices/op/t/navdata/default.html>
