Media invited to observe installation of McNary TSW today

MEDIA ADVISORY: News outlets will have an opportunity to observe installation of the first of two temporary spillway weirs at McNary Lock and Dam today at 10:30 a.m. Walla Walla District, U.S. Army Corps of Engineers, public affairs personnel will meet media representatives at the security station on the downstream-side of the dam (Oregon side of the Columbia River) at 10:30 a.m. to begin required security inspections. Media escort to the work site will begin at 10:45 a.m. Media representatives should wear clothing and shoes appropriate for a construction work site. Any media planning to attend should call the Walla Walla District's Public Affairs Office, (509) 527-7020, to confirm attendance.
