## Media invited to observe biological testing of McNary TSW

**MEDIA ADVISORY:** On Monday, March 19, at 10:30 a.m., news outlets are invited to observe biological testing of the first temporary spillway weir installed at McNary Lock and Dam. Walla Walla District, U.S. Army Corps of Engineers, public affairs personnel will meet media representatives at the security station on the downstream-side of the dam (Oregon side of the Columbia River) at 10:30 a.m. to begin required security inspections. Media escort to the work site will begin at 10:45 a.m. Media representatives should wear clothing and shoes appropriate for a construction work site. Any media planning to attend should call the Walla Walla District's Public Affairs Office, (509) 527-7020, to confirm attendance.
