Six-hour lock closure on May 3 necessary at Little Goose Lock and Dam

WALLA WALLA, Wash. – Needed repair work will cause a six-hour closure of the navigation lock at Little Goose Lock and Dam, located at Snake River mile 70.3, from 9:00 a.m. to 3:00 p.m. on Thursday, May 3, according to U.S. Army Corps of Engineers navigation officials at the Walla Walla District.

The closure is necessary to replace an electronic system that controls braking of the upstream gate.

Public Notices and other navigation lock information are available on the Internet at:
