Corps reviews permit application *Permit requested in Valley County, Idaho*

WALLA WALLA, Wash. – The U.S. Army Corps of Engineers is reviewing an application requesting a Department of the Army permit for certain work in waters of the United States. The public notice regarding the permit application listed here was issued during the week of Sept. 25, 2007.

Public Notice 2006-2100098, requested by Treasure Valley YMCA, proposes a discharge of 33,429 cubic yards of native fill, sand and concrete to construct a YMCA camp consisting of cabins, yurts, dining lodge, pavilion, staff housing, program areas, water treatment plant and wastewater treatment plant. The project is located on the southern shore of Horsethief Reservoir, in Valley County, Idaho. Comments must be received by Oct. 16, 2007. A copy of the public notice may be found at www.nww.usace.army.mil/html/offices/op/rf/pn/062100098.pdf.

The Corps of Engineers is soliciting comments from the public, federal, state and local agencies, Native American tribes and other interested parties on these permit requests.

The Corps issues or denies permits for the discharge of dredged or fill material into waters of the United States under authority of Section 404 of the Clean Water Act and for work in or affecting navigable waters of the U.S. under Section 10 of the Rivers and Harbors Act of 1899.

For more information on any public notice under consideration by the U.S. Army Corps of Engineers, please visit the Current Public Notices section on the Walla Walla District's website at www.nww.usace.army.mil/html/offices/op/rf/rfhome.htm.
